Operating Safety Instructions

1. Please refer to instruction manual and ensure all parts are within the box before assembly.
2. Please keep the children and animals away from assembly site, and away from sources of ignition, when assembling.
3. Please comply with basic safety precaution requirement during assembling and using to reduce the risk of personal injury and damage to the product. (Recommended to use gloves, goggles, non-slip shoes, etc.)
4. Please allow sufficient time to assemble the product, cannot allow placing the semi-assembled product at the side. (Product requires at least 4 people to assembled and take two hours)
5. Please assemble the product on the flat ground, ensure all screws are tightened before using. It requires protection against scratching from the surface during assembly (such as cover the ground with cardboard or cloth)
6. Products can be used throughout the year. When snowing, close the aluminum slat roof on the top. Regularly clean the snow, in case it would break the roof. It should be cleaned up and ensure snow is thawing when using again.
7. Please do not lean the ladder on the product when assembling. Climbing and Standing at the top of the product is prohibited.

Care instructions

1. Under the condition of freezing, please do not use a handle, so as to avoid damage of gazebo.

2. Please do not put your hand or fingers between the slats or the opening mechanism to avoid injury..

3. Please don't place anything above the roof, in order to avoid damage the product.

4. In order to protect you and the safety of the product, please don't climb onto the product
5. Regular cleaning of the drains in the stolen goods, leaves, to keep the drainage tank clean.
6. Please check the screws and making sure they are tight after using the product for some time. It is recommended once every quarter).
7. Timely clean the dirty on the frame, Please soak the duster cloth or foam in neutral detergent, then wash them with water.
